

## Roll 'n' Meet

The mobile table range with the patented folding mechanism! The 90° fold-away table top can be compactly stacked horizontally or rolled away for storage. The horizontal top is of extraordinary versatility. Ideally suited as office desk, as meeting table or for the arrangement of conference and seminar rooms. The table tops come in various shapes: rectangular, rectangular with rounded corners, elliptic and barrel. The tops are unlocked and swiveled upwards with an easily accessible lever.

**Accessories:**

- Linking table top/table top
- Modesty panel lengthways
- Cable management
- Power and data in the middle
