

Ona Desk

A thoroughly modular table system, offering a wide range of finishing options for offices, for meeting and conference rooms, for seminar rooms and cafeterias. This series ranges from functional stand-alone tables to complete conference arrangements. Apart from the standard shapes, including elliptic and barrel-shaped tops, we also offer customized segments for special table arrangements. Chrome-plated tubular steel columns, polished aluminium pedestals with height adjustable plastic glides, optionally with felt glides. Optionally, the column is satin chrome-plated and the pedestals are chrome-plated.
